

Northern WBS 1 - 1 Year Spring Sown (AB9, M DLF

Winter hardy annual wild bird seed mixture

Winter hardy annual wild bird seed mixture

Provides cover and feed for small birds, mammals and game throughout the year.

- Recommended for those parts of the country where more frost hardy species are required.
- Will provide shelter in "open" cover and shed seed through the late Autumn and Winter period.
- No cover in the second year.

Sow late March-end April
