Mowing height:

An excellent mixture, fine in appearance and hard wearing with excellent colour. The improved new cultivars ensure, a shade tolerant, low maintenance turf, with good disease resistance, keeping future maintenance costs to the minimum. The inclusion of our unique 4turf Tetraploid ryegrass Tetragame deliver fast establishment, improved colour, increased drought tolerance and incredible disease resistance. A very successful mixture for both private and local authority use, on housing and industrial developments where a high quality and durable turf is called for.
