20%	DAKISHA	Smooth stalked me

## Ratings

### Wear tolerance

### Recovery

### Red thread tolerance

### Fast establishment

### Sowing rate:

Overseeding:

Mowing height:

This mixture is designed for new courses/grounds and end of season renovation. The deeper root system, improved colour and incredible disease resistance of Tetragame 4Turf tetraploid ryegrass combined with the improved wear tolerance of the diploid ryegrasses deliver a high performance turf.
