

A fine general-purpose mixture for landscape and lawns

- General landscaping
- Quality lawns
- Fine appearance

## Ratings

### Wear tolerance

### Recovery

### Close mowing tolerance

### Red thread tolerance

### Rust tolerance

### Colour

### Salt tolerance

### Shade tolerance

**This popular general purpose mixture will produce an attractive sward with good wear tolerance but with relatively low maintenance requirements.**

The inclusion of a low percentage of ryegrass will provide a durable sward that will establish quickly.

	Cultivar	Species
30%	CALDRIS	Chewing
25%	CORAIL	Strong c
20%	COLUMBINE	Perennia
20%	HEIDRUN	Strong c
5%	HIGHLAND	Brownto

Pack Size: 10kg & 20kg
